By order of the Hon'ble the President in Council,

Fort William, Home Department, Legislative,
the 14th November, 1851.

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 14th November 1851, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

Act No. XII. of 1851.

An Act for securing the Land Revenue of Madras.

Whereas it is expedient that the land revenue accruing due to the East India Company at Madras, within the limits of the Town of Madras as defined in Section XII., Regulation II. 1802, of the Madras Code, should be ascertained and collected in as summary a manner as in other parts of the territories under the Government of the East India Company, It is enacted as follows:—

I. All assessable lands not the property of the East India Company, within the limits of the Town of Madras, as defined in Section XII., Regulation II. of 1802, of the Madras Code, of which the rate of assessment is not known, or which have not heretofore been assessed, shall be assessed at the rates customarily charged upon lands of a similar description in the neighbourhood, according as they may be situated respectively within or without the walls of Black Town.

II. Lakiraj tenures of land in Madras, of which uninterrupted possession has been held under alleged grants, exempt or partially exempt from assessment for sixty years, shall be valid; no other lakiraj tenures of land in Madras shall be deemed valid, unless the same are or shall be held

under an unexpired grant from the British Government.

III. The Collector of Madras shall determine the rate of assessment to be laid on assessable land under Section I. of this Act, with reference to the rate assessed upon other land of a similar description in the neighbourhood, subject to an appeal to the Board of Revenue, to be made within six months from the notification by the Collector of the assessment fixed by him. The decision of the Board of Revenue upon such appeal shall be final.

IV. The Collector may order any assessable land, or land already assessed, or charged with a rent payable to the East India Company, to be measured, for the purpose of determining the amount of assessment to be imposed, or, in the case of land already assessed or charged with a rent, for the purpose of ascertaining whether the actual dimensions, and the dimensions upon which the amount of assessment or rent, was calculated, correspond.

V. Whenever, upon the measurement of any land under the preceding Section, it shall be found that the dimensions upon which the amount of assessment or rent was calculated exceed the actual dimensions, a proportionate abatement shall be made for the excess, on the demand of the party entitled to claim it.

VI. On the other hand, when the actual dimensions exceed the dimensions upon which the amount of assessment or rent was calculated, the excess shall be charged at the same rate as the rest of the land, the possession being left undisturbed. Provided that when it shall appear that the excess has been caused by the surreptitious usurpation of ground belonging to another tenure, the act of the Collector in assessing it shall not prejudice the holder of such other tenure in any effort he may make to recover the ground usurped from it. An appeal shall lie to the Board of Revenue against any extra assessment or additional rent charged by the Collector for excess by measurement under this Section, if preferred within six months from the date of the Collector's order. Upon such appeal the decision of the Board of Revenue shall be final.

VII. If any owner of assessed land, or any person holding land subject to a rent payable to the East India Company, shall, upon the written demand of the Collector, refuse or neglect to pay any sum at which the land is assessed, or with which it is charged as rent, the Collector may levy the same by distress and sale of the goods and chattels, wherever found, of such owner or lessee; or, after written demand upon the tenant or occupier, and on his refusal or neglect to pay the sum lawfully demanded, by distress and sale of any goods and chattels found upon the land, in the manner appointed for regulating distresses for small rents in Calcutta by Act VII. 1847, extended to Madras by Section 89, Act IX. 1850, and for the purpose of any such distress and sale, the Collector shall have all the powers of a Judge of the Court of Small Causes under Section 89, Act IX. 1850 aforesaid; and the Collector shall have power to appoint any of his Officers to perform the duties of Bailiffs and Appraisers, and of the Chief Clerk of the said Court, as provided by the said Act VII. of 1847, and all the provisions of the said Act relating to the Commissioners for the recovery of small debts and their Court, shall be deemed to apply to the said Collector and his Office in the execution of this Act.

VIII. In the case of payment by any tenant or occupier not holding immediately under the East India Company, or the seizure and sale of his property, he may deduct the amount of the payment or levy from the next payment of rent to his landlord.

IX. The claim of the East India Company for land revenue or rent has priority over all other claims upon the land, or to which property distrained upon the land may be liable.

X. If the Collector's claim for arrears of rent is disputed, the process of distraint and sale shall not be stayed, unless the amount claimed be lodged with the Collector.

XI. Arrears of rent or revenue due to the East India Company are recoverable within six years next after the same are due, or next after an acknowledgment of the same in writing has been given by the person by whom the same is payable, or his Agent, and not afterwards.

XII. When a claim to hold land lakiraj, or free of assessment, shall be set up under this Act, the Collector shall inquire into the claim; taking such evidence as the claimant may offer, or the public records supply; and shall report his proceedings in the case for the consideration of the Board of Revenue. If the Board of Revenue are satisfied of the validity of the claim, they shall make an order accordingly, and such order shall be final. If they are not satisfied of the validity of the claim, they shall direct the Collector to assess the land, leaving the claimant to contest the Collector's demand in the Civil Courts, as herein provided.

XIII. Any person obstructing or molesting the Collector, or any of his subordinate officers in the execution of their duty, shall, on conviction before a Magistrate of the Town of Madras, be liable to a fine not exceeding five hundred rupees, and, in default of payment, to imprisonment in the common goal for a term not exceeding six months, or until the fine is sooner paid.

XIV. The Collector may punish any contempt committed in his presence in open cutcherry or office, by fine not exceeding two hundred rupees, and, in default of payment, by imprisonment in the common goal for a term not exceeding one month. From every such order of fine or imprisonment an appeal shall lie to the Board of Revenue, whose decision shall be final.

XV. The Collector shall act in the execution of this Act, under the usual control of the superior revenue authorities.

XVI. The ground rents payable to the East India Company from lands in Madras are revenue within the meaning of the Act of Parliament, 21 Geo. III. Cap. 70; and the Supreme Court of Judicature established by Royal Charter at Madras has not any civil jurisdiction concerning the said ground rents, or concerning any thing ordered or done in the assessment or collection thereof.

XVII. All actions concerning any trespass or injury committed by any revenue officer, acting under colour of this Act, or concerning any claim in respect of any goods taken by, or any monies paid to, any revenue officer under this Act, or concerning any claim of rent or revenue on the part of the East India Company under this Act, shall be tried and determined in the Civil Courts established by the East India Company, in the Zillah of Chingleput, notwithstanding that the cause of action in respect of which such action is

brought, arose, or the defendant therein reside, within the limits of the Town of Madras, and every such action shall be brought within six months after the cause of action arose, and not afterwards.

XVIII. The words "Collector" and "Board of Revenue" used in this Act, shall be taken to mean any person or persons lawfully appointed to exercise the powers vested in the Collector and Board of Revenue respectively under this Act.

NOTICE TO MARINERS.

HOY SOUND LIGHTHOUSES.

THE Commissioners of the *Northern Lighthouses* hereby give Notice, that two *Lighthouses* have been built upon the *Island* of *Gremsay*, lying in *Hoy Sound*, opposite *Stromness*, in *Orkney*, the Lights of which were exhibited on the Night of *Thursday*, the 15th of May 1851.

The following is a Specification of the position of the Lighthouses and of the Appearance of the Lights, by Mr. Alan Stevenson, *Engineer to the Commissioners :—*

The *High Lighthouse* is N. Lat. 58° 56′ 09″, and W. Long. 3° 16′ 33″. By *Compass*, the *Lighthouses* bear from each other S.E. ¼ E. and N.W. ¼ W. The *High Light*, towards the Western Entrance of Hoy Sound, is a Fixed Red Light, and the *Low Light* is a Fixed Bright Light. When seen in one line, they lead through the Western Entrance to *Hoy Sound*, in the fairway, between the *Bow Rock*, off the Hoy Shore—and *Kirk Rock*, off the Stromness Shore. After running in on this line to the point A in the annexed Chart,* half-a-mile off the Low Light, where the depth is about 8 fathoms, the *High Red Light* is suddenly eclipsed by the land; and it is then time to haul towards the *Stromness* Shore, when the *Red Light* will immediately re-appear.

The *High Light* is elevated 115 Feet above the Sea; but, being a Fixed Red Light, it is not seen at a greater distance than about 10 *Nautic Miles*. It illuminates a small Arc toward the S.E. from S.E. by E. to S.E. ½ S., facing the Western Entrance to *Hoy Sound*. Toward Stromness, the High Tower shews a Fixed Bright Light, from S.S.E. ¼ E. to W.S.W.

The *Low Light*, as already stated, is known to Mariners as a Fixed Bright Light. It is elevated 55 Feet above the Sea, is seen at the distance of 7 *Nautic Miles*, and at lesser distances, according to the state of the weather. The Arc illuminated by this Light extends from E. ½ S. to W. ½ N., and faces Northward.

Notice is also hereby given, that towards the Islands of *Cava* and *Risa*, a Fixed Bright Light, illuminating a small Arc between N. ½ W. and N.N.W. ½ W. will be shewn from the High

Tower, on the night of Friday, 1st August 1851, and every night thereafter, from Sunset to Sunrise, in addition to those already lighted and described above. This Light is intended to serve as a guide to Vessels approaching *Stromness* from the Eastward.

The whole of the above Descriptions and Instructions will be more easily understood by an inspection of the accompanying small Chart.*

N. B.—The Variation of the Compass is 27° 47′, W.

[* It has been found impracticable to publish this Chart without having it lithographed.]

The Commissioners hereby further give Notice, that by virtue of a Warrant from the *Queen* in *Council*, dated 14th August 1850, the following Tolls are now levied in respect of these Lights, viz :—

" For every vessel belonging to the United Kingdom " of Great Britain and Ireland (the same not belonging " to Her Majesty, her heirs and successors, or being " navigated wholly in ballast), and for every Foreign " Vessel which, by any Act of Parliament, Order in " Council, Convention or Treaty, shall be privileged to " enter the Ports of the said United Kingdom, upon " paying the same duties of Tonnage as are paid by " Vessels belonging to the United Kingdom (the same " not being navigated wholly in ballast) which shall " arrive at, or depart from, the Port of Stromness or its " dependent creeks in Orkney, or which shall pass in " either direction through the Pentland Firth, between " the Island of Pomona or the Mainland of Orkney, and " Dunnethead in Caithness, the Toll of one *Farthing* " per Ton of the Burden of every such Vessel, for each " time of passing or deriving benefit from the said " Lights, if on a Coasting Voyage, and Double the said " Toll for passing or deriving benefit on an Oversea " Voyage ; and for each Foreign Vessel navigated as " aforesaid not privileged in manner hereinbefore men- " tioned, Double the amount of the respective Tolls " hereinbefore specified."

Act No. XII. of 1851.

An Act for securing the Land Revenue of Madras.

Whereas it is expedient that the land revenue accruing due to the East India Company at Madras, within the limits of the Town of Madras as defined in Section XII., Regulation II. 1802, of the Madras Code, should be ascertained and collected in as summary a manner as in other parts of the territories under the Government of the East India Company, It is enacted as follows:—

I. All assessable lands not the property of the East India Company, within the limits of the Town of Madras, as defined in Section XII., Regulation II. of 1802, of the Madras Code, of which the rate of assessment is not known, or which have not heretofore been assessed, shall be assessed at the rates customarily charged upon lands of a similar description in the neighbourhood, according as they may be situated respectively within or without the walls of Black Town.

II. Lakiraj tenures of land in Madras, of which uninterrupted possession has been held under alleged grants, exempt or partially exempt from assessment for sixty years, shall be valid; no other lakiraj tenures of land in Madras shall be deemed valid, unless the same are or shall be held under an unexpired grant from the British Government.

III. The Collector of Madras shall determine the rate of assessment to be laid on assessable land under Section I. of this Act, with reference to the rate assessed upon other land of a similar description in the neighbourhood, subject to an appeal to the Board of Revenue, to be made within six months from the notification by the Collector of the assessment fixed by him. The decision of the Board of Revenue upon such appeal shall be final.

IV. The Collector may order any assessable land, or land already assessed, or charged with a rent payable to the East India Company, to be measured, for the purpose of determining the amount of assessment to be imposed, or, in the case of land already assessed or charged with a rent, for the purpose of ascertaining whether the actual dimensions, and the dimensions upon which the amount of assessment or rent, was calculated, correspond.

V. Whenever, upon the measurement of any land under the preceding Section, it shall be found that the dimensions upon which the amount of assessment or rent was calculated exceed the actual dimensions, a proportionate abatement shall be made for the excess, on the demand of the party entitled to claim it.

VI. On the other hand, when the actual dimensions exceed the dimensions upon which the amount of assessment or rent was calculated, the excess shall be charged at the same rate as the rest of the land, the possession being left undisturbed. Provided that when it shall appear that the excess has been caused by the surreptitious usurpation of ground belonging to another tenure, the act of the Collector in assessing it shall not prejudice the holder of such other tenure in any effort he may make to recover the ground usurped from it. An appeal shall lie to the Board of Revenue against any extra assessment or additional rent charged by the Collector for excess by measurement under this Section, if preferred within six months from the date of the Collector's order. Upon such appeal the decision of the Board of Revenue shall be final.

VII. If any owner of assessed land, or any person holding land subject to a rent payable to the East India Company, shall, upon the written demand of the Collector, refuse or neglect to pay any sum at which the land is assessed, or with which it is charged as rent, the Collector may levy the same by distress and sale of the goods and chattels, wherever found, of such owner or lessee; or, after written demand upon the tenant or occupier, and on his refusal or neglect to pay the sum lawfully demanded, by distress and sale of any goods and chattels found upon the land, in the manner appointed for regulating distresses for small rents in Calcutta by Act VII. 1847, extended to Madras by Section 89, Act IX. 1850, and for the purpose of any such distress and sale, the Collector shall have all the powers of a Judge of the Court of Small Causes under Section 89, Act IX. 1850 aforesaid; and the Collector shall have power to appoint any of his Officers to perform the duties of Bailiffs and Appraisers, and of the Chief Clerk of the said Court, as provided by the said Act VII. of 1847, and all the provisions of the said Act relating to the Commissioners for the recovery of small debts and their Court, shall be deemed to apply to the said Collector and his Office in the execution of this Act.

VIII. In the case of payment by any tenant or occupier not holding immediately under the East India Company, or the seizure and sale of

his property, he may deduct the amount of the payment or levy from the next payment of rent to his landlord.

IX. The claim of the East India Company for land revenue or rent has priority over all other claims upon the land, or to which property distrained upon the land may be liable.

X. If the Collector's claim for arrears of rent is disputed, the process of distraint and sale shall not be stayed, unless the amount claimed be lodged with the Collector.

XI. Arrears of rent or revenue due to the East India Company are recoverable within six years next after the same are due, or next after an acknowledgment of the same in writing has been given by the person by whom the same is payable, or his Agent, and not afterwards.

XII. When a claim to hold land lakiraj, or free of assessment, shall be set up under this Act, the Collector shall inquire into the claim; taking such evidence as the claimant may offer, or the public records supply; and shall report his proceedings in the case for the consideration of the Board of Revenue. If the Board of Revenue are satisfied of the validity of the claim, they shall make an order accordingly, and such order shall be final. If they are not satisfied of the validity of the claim, they shall direct the Collector to assess the land, leaving the claimant to contest the Collector's demand in the Civil Courts, as herein provided.

XIII. Any person obstructing or molesting the Collector, or any of his subordinate officers in the execution of their duty, shall, on conviction before a Magistrate of the Town of Madras, be liable to a fine not exceeding five hundred rupees, and, in default of payment, to imprisonment in the common gaol for a term not exceeding six months, or until the fine is sooner paid.

XIV. The Collector may punish any contempt committed in his presence in open cutcherry or office, by fine not exceeding two hundred rupees, and, in default of payment, by imprisonment in the common gaol for a term not exceeding one month. From every such order of fine or imprisonment an appeal shall lie to the Board of Revenue, whose decision shall be final.

XV. The Collector shall act in the execution of this Act, under the usual control of the superior revenue authorities.

XVI. The ground rents payable to the East India Company from lands in Madras are revenue within the meaning of the Act of Parliament, 21 Geo. III. Cap. 70; and the Supreme Court of Judicature established by Royal Charter at Madras has not any civil jurisdiction concerning the said ground rents, or concerning any thing ordered or done in the assessment or collection thereof.

XVII. All actions concerning any trespass or injury committed by any revenue officer, acting under colour of this Act, or concerning any claim in respect of any goods taken by, or any monies paid to, any revenue officer under this Act, or concerning any claim of rent or revenue on the part of the East India Company under this Act, shall be tried and determined in the Civil Courts established by the East India Company, in the Zillah of Chingleput, notwithstanding that the cause of action in respect of which such action is brought, arose, or the defendant therein reside, within the limits of the Town of Madras, and every such action shall be brought within six months after the cause of action arose, and not afterwards.

XVIII. The words "Collector" and "Board of Revenue" used in this Act, shall be taken to mean any person or persons lawfully appointed to exercise the powers vested in the Collector and Board of Revenue respectively under this Act.

The Light will be known to mariners as a revolving bright Light which gradually attains its brightest period once every minute, and as gradually declines until it totally disappears to the distant observer, whilst, when viewed from a short distance, it is never entirely invisible.

The lantern, which is open all round, elevated 95 feet above the level of the sea at High Water Spring Tides, will be seen from the deck of a vessel at a distance of 15 nautical miles.

As a beacon during the day the Light-house will be known by the following description. It stands on a rock which measures 150 feet long and 100 broad, and is 24 feet high at its highest point above the level of H. W. Sp. Tides. The Light-house is a Pillar of dressed granite and the lantern covered by a spherical dome which is painted white.

NOTICE TO MARINERS.

HOY SOUND LIGHTHOUSES.

THE Commissioners of the *Northern Lighthouses* hereby give Notice, that two *Lighthouses* have been built upon the *Island* of *Gremsay*, lying in *Hoy Sound*, opposite *Stromness*, in *Orkney*, the Lights of which were exhibited on the Night of *Thursday*, the 15th of May 1851.

The following is a Specification of the position of the Lighthouses and of the Appearance of the Lights, by MR. ALAN STEVENSON, *Engineer to the Commissioners:—*

The *High Lighthouse* is N. Lat. 58° 56′ 09″, and W. Long. 3° 16′ 33″. By *Compass*, the *Lighthouses* bear from each other S.E. $\frac{1}{4}$ E. and N.W. $\frac{1}{4}$ W. The *High Light*, towards the Western Entrance of Hoy Sound, is a FIXED RED LIGHT, and the *Low Light* is a FIXED BRIGHT LIGHT. When seen in one line, they lead through the Western Entrance to *Hoy Sound*, in the fairway, between the *Bow Rock*, off the Hoy Shore—and *Kirk Rock*, off the Stromness Shore. After running in on this line to the point A in the annexed Chart,* half-a-mile off the Low Light, where the depth is about 8 fathoms, the *High Red Light* is suddenly eclipsed by the land; and it is then time to haul towards the *Stromness* Shore, when the *Red Light* will immediately re-appear.

The *High Light* is elevated 115 Feet above the Sea; but, being a FIXED RED LIGHT, it is not seen at a greater distance than about 10 *Nautic Miles.* It illuminates a small Arc toward the S.E. from S.E. by E. to S.E. $\frac{1}{2}$ S., facing the Western Entrance to *Hoy Sound.* Toward Stromness, the High Tower shews a FIXED BRIGHT LIGHT, from S.S.E. $\frac{1}{4}$ E. to W.S.W.

The *Low Light*, as already stated, is known to Mariners as a FIXED BRIGHT LIGHT. It is elevated 55 Feet above the Sea, is seen at the distance of 7 *Nautic Miles*, and at lesser distances, according to the state of the weather. The Arc illuminated by this Light extends from E. $\frac{1}{2}$ S. to W. $\frac{1}{2}$ N., and faces Northward.

Notice is also hereby given, that towards the Islands of *Cava* and *Risa*, a FIXED BRIGHT LIGHT, illuminating a small Arc between N. $\frac{1}{2}$ W. and N.N.W. $\frac{1}{2}$ W. will be shewn from the High

Tower, on the night of Friday, 1st August 1851, and every night thereafter, from Sunset to Sunrise, in addition to those already lighted and described above. This Light is intended to serve as a guide to Vessels approaching *Stromness* from the Eastward.

The whole of the above Descriptions and Instructions will be more easily understood by an inspection of the accompanying small Chart.*

N. B.—The Variation of the Compass is 27° 47′, W.

[* It has been found impracticable to publish this Chart without having it lithographed.]

The Commissioners hereby further give Notice, that by virtue of a Warrant from the *Queen in Council*, dated 14th August 1850, the following Tolls are now levied in respect of these Lights, viz :—

"For every vessel belonging to the United Kingdom "of Great Britain and Ireland (the same not belonging "to Her Majesty, her heirs and successors, or being "navigated wholly in ballast), and for every Foreign "Vessel which, by any Act of Parliament, Order in "Council, Convention or Treaty, shall be privileged to "enter the Ports of the said United Kingdom, upon "paying the same duties of Tonnage as are paid by "Vessels belonging to the United Kingdom (the same "not being navigated wholly in ballast) which shall "arrive at, or depart from, the Port of Stromness or its "dependent creeks in Orkney, or which shall pass in "either direction through the Pentland Firth, between "the Island of Pomona or the Mainland of Orkney, and "Dunnethead in Caithness, the Toll of one *Farthing* "per Ton of the Burden of every such Vessel, for each "time of passing or deriving benefit from the said "Lights, if on a Coasting Voyage, and Double the said "Toll for passing or deriving benefit on an Oversea "Voyage; and for each Foreign Vessel navigated as "aforesaid not privileged in manner hereinbefore mentioned, Double the amount of the respective Tolls "hereinbefore specified."

Produce of Behar Agency,	Chests	1,920
Ditto of Benares ditto,	,,	880
	Total Chests	2,800

CONDITIONS OF SALE.

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which Provision is made by Clause 12 of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 a. m., and shall not be continued after the hour of 5 p. m., but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday,) at the hour of 11 a. m., and so on until the whole of the remaining lots are disposed of; or if the quantity of 2,800 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future Sale.

4th. Each lot to contain Five Chests.

5th. A deposit in a Promissory Note, either for 25 per Cent. even money, of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Saturday, 17th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered

in, shall be re-sold at such time or times and under such Conditions of Re-sale as the Board of Revenue shall see fit, and all losses and expenses whatsoever attending such Re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned Condition if remaining unredeemed on the said 17th January, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 17th January, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 27th January 1852, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent, even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each Certificate or order, and it is to be clearly understood that the Certificates or orders so taken out shall be considered final, and not afterwards changeable for other Certificates or orders authorizing the delivery of single lots or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each Certificate or order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer superintending the Sale, on the part of the Board of Revenue, is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid, or Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder, for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1.—Certificate of the Opium now advertized for Sale.

No. 2.—Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1850-51, the same precautions have been teken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue, and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight,

abstraction of Opium or adulteration of the Drug, which may be preferred in reference to Chests after the sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned the following quantities, more or less, of Behar and Benares Opium of 1850-51, will be brought to Sale in the year 1852, on or about the dates specified below:

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for Sale at the Twelve Sales in the Months of January, February, March, April, May, June, July, August, September, October, November and December 1852, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity, not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within 30 days after the publication of this advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 33,561 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. *Article of the Convention above referred to.* "With regard to the Trade in "Opium it is agreed between "the high contracting parties "that at each of the periodical "Sales of that article there "shall be reserved for the French Government, "and delivered upon requisition duly made by "the Agents of His Most Christian Majesty, or by "the persons duly appointed by them, the number "of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in "each year, and the price for the same shall be determined by the average rate at which Opium "shall have been sold at every such periodical "Sale; it being understood that, if the quantity of "Opium applied for at any one time shall not be "taken on account of the French Government by "the Agents of His Most Christian Majesty "within the usual period of delivery, the quantity "so applied for shall nevertheless be considered "as so much in reduction of the Three Hundred "Chests hereinbefore mentioned: the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall have "been published in the Government Gazette."

Ordered, that the Act be promulgated for general information.

ACT No. XII. OF 1851.

An Act for securing the Land Revenue of Madras.

Whereas it is expedient that the land revenue accruing due to the East India Company at Madras, within the limits of the Town of Madras as defined in Section XII., Regulation II. 1802, of the Madras Code, should be ascertained and collected in as summary a manner as in other parts of the territories under the Government of the East India Company, It is enacted as follows:—

I. All assessable lands not the property of the East India Company, within the limits of the

Town of Madras, as defined in Section XII., Regulation II. of 1802, of the Madras Code, of which the rate of assessment is not known, or which have not heretofore been assessed, shall be assessed at the rates customarily charged upon lands of a similar description in the neighbourhood, according as they may be situated respectively within or without the walls of Black Town.

II. Lakiraj tenures of land in Madras, of which uninterrupted possession has been held under alleged grants, exempt or partially exempt from assessment for sixty years, shall be valid; no other lakiraj tenures of land in Madras shall be deemed valid, unless the same are or shall be held under an unexpired grant from the British Government.

III. The Collector of Madras shall determine the rate of assessment to be laid on assessable land under Section I. of this Act, with reference to the rate assessed upon other land of a similar description in the neighbourhood, subject to an appeal to the Board of Revenue, to be made within six months from the notification by the Collector of the assessment fixed by him. The decision of the Board of Revenue upon such appeal shall be final.

IV. The Collector may order any assessable land, or land already assessed, or charged with a rent payable to the East India Company, to be measured, for the purpose of determining the amount of assessment to be imposed, or, in the case of land already assessed or charged with a rent, for the purpose of ascertaining whether the actual dimensions, and the dimensions upon which the amount of assessment or rent, was calculated, correspond.

V. Whenever, upon the measurement of any land under the preceding Section, it shall be found that the dimensions upon which the amount of assessment or rent was calculated exceed the actual dimensions, a proportionate abatement shall be made for the excess, on the demand of the party entitled to claim it.

VI. On the other hand, when the actual dimensions exceed the dimensions upon which the amount of assessment or rent was calculated, the excess shall be charged at the same rate as the rest of the land, the possession being left undisturbed. Provided that when it shall appear that the excess has been caused by the surreptitious usurpation of ground belonging to another tenure, the act of the Collector in assessing it shall not prejudice the holder of such other tenure in any effort he may make to recover the ground usurped from it. An appeal shall lie to the Board of Revenue against any extra assessment or additional rent charged by the Collector for excess by measurement under this Section, if preferred within six months from the date of the Collector's order. Upon such appeal the decision of the Board of Revenue shall be final.

VII. If any owner of assessed land, or any person holding land subject to a rent payable to the East India Company, shall, upon the written demand of the Collector, refuse or neglect to pay any sum at which the land is assessed, or with which it is charged as rent, the Collector may levy the same by distress and sale of the goods and chattels, wherever found, of such owner or lessee; or, after written demand upon the tenant or occupier, and on his refusal or neglect to pay the sum lawfully demanded, by distress and sale of any goods and chattels found upon the land, in the manner appointed for regulating distresses for small rents in Calcutta by Act VII. 1847, extended to Madras by Section 89, Act IX. 1850, and for the purpose of any such distress and sale, the Collector shall have all the powers of a Judge of the Court of Small Causes under Section 89, Act. IX. 1850 aforesaid; and the Collector shall have power to appoint any of his Officers to perform the duties of Bailiffs and Appraisers, and of the Chief Clerk of the said Court, as provided by the said Act VII. of 1847, and all the provisions of the said Act relating to the Commissioners for the recovery of small debts and their Court, shall be deemed to apply to the said Collector and his Office in the execution of this Act.

VIII. In the case of payment by any tenant or occupier not holding immediately under the East India Company, or the seizure and sale of his property, he may deduct the amount of the payment or levy from the next payment of rent to his landlord.

IX. The claim of the East India Company for land revenue or rent has priority over all other claims upon the land, or to which property distrained upon the land may be liable.

X. If the Collector's claim for arrears of rent is disputed, the process of distraint and sale shall not be stayed, unless the amount claimed be lodged with the Collector.

XI. Arrears of rent or revenue due to the East India Company are recoverable within six years next after the same are due, or next after an acknowledgment of the same in writing has been given by the person by whom the same is payable, or his Agent, and not afterwards.

XII. NOTICE TO MARINERS.

HOY SOUND LIGHTHOUSES.

THE Commissioners of the *Northern Lighthouses* hereby give Notice, that two *Lighthouses* have been built upon the *Island* of *Gremsay*, lying in *Hoy Sound*, opposite *Stromness*, in *Orkney*, the Lights of which were exhibited on the Night of *Thursday*, the 15th of May 1851.

The following is a Specification of the position of the Lighthouses and of the Appearance of the Lights, by MR. ALAN STEVENSON, *Engineer to the Commissioners:—*

The *High Lighthouse* is N. Lat. 58° 56′ 09″, and W. Long. 3° 16′ 33″. By *Compass*, the *Lighthouses* bear from each other S.E. ¼ E. and N.W. ¼ W. The *High Light*, towards the Western Entrance of Hoy Sound, is a FIXED RED LIGHT, and the *Low Light* is a FIXED BRIGHT LIGHT. When seen in one line, they lead through the Western Entrance to *Hoy Sound*, in the fairway, between the *Bow Rock*, off the Hoy Shore—and *Kirk Rock*, off the Stromness Shore. After running in on this line to the point A in the annexed Chart,* half-a-mile off the Low Light, where the depth is about 8 fathoms, the *High Red Light* is suddenly eclipsed by the land; and it is then time to haul towards the *Stromness* Shore, when the *Red Light* will immediately re-appear.

The *High Light* is elevated 115 Feet above the Sea; but, being a FIXED RED LIGHT, it is not seen at a greater distance than about 10 *Nautic Miles*. It illuminates a small Arc toward the S.E. from S.E. by E. to S.E. ½ S., facing the Western Entrance to *Hoy Sound*. Toward Stromness, the High Tower shews a FIXED BRIGHT LIGHT, from S.S.E. ¼ E. to W.S.W.

The *Low Light*, as already stated, is known to Mariners as a FIXED BRIGHT LIGHT. It is elevated 55 Feet above the Sea, is seen at the distance of 7 *Nautic Miles*, and at lesser distances, according to the state of the weather. The Arc illuminated by this Light extends from E. ½ S. to W. ½ N., and faces Northward.

Notice is also hereby given, that towards the Islands of *Cava* and *Risa*, a FIXED BRIGHT LIGHT, illuminating a small Arc between N. ½ W. and N.N.W. ½ W. will be shewn from the High Tower, on the night of Friday, 1st August 1851, and every night thereafter, from Sunset to Sunrise, in addition to those already lighted and described above. This Light is intended to serve as a guide to Vessels approaching *Stromness* from the Eastward.

The whole of the above Descriptions and Instructions will be more easily understood by an inspection of the accompanying small Chart.*

N. B.—The Variation of the Compass is 27° 47′, W.

[* It has been found impracticable to publish this Chart without having it lithographed.]

The Commissioners hereby further give Notice, that by virtue of a Warrant from the *Queen in Council*, dated 14th August 1850, the following Tolls are now levied in respect of these Lights, viz:—

"For every vessel belonging to the United Kingdom " of Great Britain and Ireland (the same not belonging " to Her Majesty, her heirs and successors, or being " navigated wholly in ballast), and for every Foreign " Vessel which, by any Act of Parliament, Order in " Council, Convention or Treaty, shall be privileged to " enter the Ports of the said United Kingdom, upon " paying the same duties of Tonnage as are paid by " Vessels belonging to the United Kingdom (the same " not being navigated wholly in ballast) which shall " arrive at, or depart from, the Port of Stromness or its " dependent creeks in Orkney, or which shall pass in " either direction through the Pentland Firth, between " the Island of Pomona or the Mainland of Orkney, and " Dunnethead in Caithness, the Toll of one *Farthing* " per Ton of the Burden of every such Vessel, for each " time of passing or deriving benefit from the said " Lights, if on a Coasting Voyage, and Double the said " Toll for passing or deriving benefit on an Oversea " Voyage; and for each Foreign Vessel navigated as " aforesaid not privileged in manner hereinbefore men- " tioned, Double the amount of the respective Tolls " hereinbefore specified."

NEW PILOT STATION

FOR THE

S. W. Monsoon—Distinction of Lights.

NOTICE is hereby given, that *from and after the 15th of March* 1852, the Pilot Station for the South West Monsoon will be changed to the position described in the following Sailing Directions of the Master Attendant of this Port; and that from and after the date specified, the Eastern Channel Light Vessel will show a *bright red light* instead of a *plain one*, as at present, to distinguish it from the Gasper Channel Light, which bears from it about N. N. W., *distant* 22 miles.

By Order of the Superintendent of Marine,

JAMES SUTHERLAND,
Secretary.

Fort William, the 6*th May*, 1851.

Sailing Directions for Vessels requiring Pilots during the South West Monsoon at the New Station, on the North East part of the Pilot Ridge.

False Point Light House is in latitude 20° 19½′ *north* and longitude 86° 47′ *east*, and a buoy is placed in 21½ fathoms on the Pilot's Ridge, in latitude 20° 49¼′ *north*, and longitude 87° 42′ *east*, the buoy therefore bears from False Point Light House *north* 59° 49′ *east* true, and distant 59½ miles.

A vessel therefore after making the Light House at False Point (in passing which she ought not to go into less than 10 fathoms) should bring it to bear about *west south west* 10 or 15 miles distant, when she will be in 11 or 12 fathoms, then steer *east north eastward*, when the soundings will gradually increase to 23 fathoms on the eastern edge of the Pilot's Ridge. She should then regulate her course so as to keep between the Ridge and 27 fathoms, when by attention to the lead and nature of the soundings, course and distance run from the Light House, it is almost impossible to avoid making the Pilot Vessels, as their cruizing ground is immediately to the *north east* of the Light Vessel stationed during the *South West Monsoon* in close proximity to the buoy on the Ridge.

The soundings to seaward of the Pilot's Ridge are in general a greenish or olive coloured mud, with occasionally a few bits of broken shells mixed with it; whilst those on the Ridge are of a shelly sand, or minute gravel, of a reddish or rusty brown color.

Vessels approaching the Station are earnestly warned to be careful in avoiding collision when communicating with either the Light, or supplying Pilot Vessels; and on making the former at night, they are strongly recommended to heave to, at a proper distance till day-light, by which measure they will avoid the probability of passing the supplying Pilot Vessels in the darkness of the night.

The Eastern Channel Light Vessel is in latitude 21° 04′ *north* and longitude 88° 14′ *east*, and therefore bears from the buoy on the Pilot's Ridge, *north* 63·26 *east*, true; and distant 32½ miles.

The Eastern Channel Light Vessel burns a blue light every hour during the night, commencing at 7 P. M. and a maroon (or torch) at the intermediate half hours, and her standing Light will from the date above specified, be a *bright red* colour.

The Pilot's Ridge Light Vessel shows one plain standing Light, and burns a blue light every hour, and a maroon at the intermediate half hours, and also fires a gun on sighting any vessel.

During the *North East Monsoon*, the cruizing ground where Ships will have to seek for Pilots, will be as heretofore in the Eastern Channel.

Master Attendant.

Read a Despatch from the Hon'ble the Court of Directors in the Public Department, No. 22 of 1851, dated the 3rd September.

The following Act is brought up before the Legislative Council this day. Resolved, that the Rules requiring that all Acts shall be brought up for second reading in two months or in three months, from the date of the first reading, be suspended in respect to the following proposed Act, and that it be at once passed into Law, the assent of the Most Noble the Governor General of India having been obtained and recorded.

Act No. XIII. of 1851.

An Act to amend Act No. V. of 1851.

Whereas by Section III. of Act No. V. of 1851, it was, among other things, enacted, that the Accountant General of Bengal was authorized and required from time to time, to direct the Sub-Treasurer to pay, and the Sub-Treasurer should thereupon pay out of the monies of the East India Company in his custody, such sums as would be sufficient to pay off and discharge to such persons as should appear to be entitled thereunto as the lawful representatives of the Intestates and others named in the Schedules A. B. C. D. annexed to the Report therein mentioned, the several principal sums of money which, upon the final adjustment of the accounts of their several claims and estates, should appear to have been due to them respectively from Sir Thomas Turton, on the 25th day of February 1848, and to be then still due and unsatisfied: And whereas the Court of Directors of the East India Company, acting in pursuance of the power and authority to them given and reserved by the 44th Section of an Act of Parliament, passed in the 4th year of the reign of his late Majesty King William the Fourth, entituled "an Act for effecting "an arrangement with the East India Company, "and for the better government of His Majesty's "Indian Territories till the 30th day of April "1854," have signified to the Governor General in Council their disallowance of so much of the said third Section of Act No. V. of 1851, hereinbefore recited, as relates to the payment and discharge to the lawful representatives of the Intestates and others named in the said Schedules B. and D. of the several principal sums of money therein mentioned; It is enacted as follows:

I. So much of the 3rd Section of Act No. V. of 1851, hereinbefore recited, as relates to the payment and discharge to the lawful representatives of the Intestates and others named in the said Schedules B. and D. of the several principal sums of money therein mentioned, is hereby repealed.

Fred Jas. Halliday,
Secy. to the Govt. of India.

Fort William, Home Department, Legislative, the 21st November, 1851.

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 21st November 1851, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

Fort William, Marine Supdt.'s Office, the 24th Novr., 1851.

NOTICE TO MARINERS.

HOY SOUND LIGHTHOUSES.

THE Commissioners of the *Northern Lighthouses* hereby give Notice, that two *Lighthouses* have been built upon the *Island* of *Gremsay*, lying in *Hoy Sound*, opposite *Stromness*, in *Orkney*, the Lights of which were exhibited on the Night of *Thursday*, the 15th of May 1851.

The following is a Specification of the position of the Lighthouses and of the Appearance of the Lights, by MR. ALAN STEVENSON, *Engineer to the Commissioners :—*

The *High Lighthouse* is N. Lat. 58° 56′ 09″, and W. Long. 3° 16′ 33″. By *Compass*, the *Lighthouses* bear from each other S.E. ¼ E. and N.W. ¼ W. The *High Light*, towards the Western Entrance of Hoy Sound, is a FIXED RED LIGHT, and the *Low Light* is a FIXED BRIGHT LIGHT. When seen in one line, they lead through the Western Entrance to *Hoy Sound*, in the fairway, between the *Bow Rock*, off the Hoy Shore—and *Kirk Rock*, off the Stromness Shore. After running in on this line to the point A in the annexed Chart,* half-a-mile off the Low Light, where the depth is about 8 fathoms, the *High Red Light* is suddenly eclipsed by the land; and it is then time to haul towards the *Stromness* Shore, when the *Red Light* will immediately re-appear.

The *High Light* is elevated 115 Feet above the Sea; but, being a FIXED RED LIGHT, it is not seen at a greater distance than about 10 *Nautic Miles*. It illuminates a small Arc toward the S.E. from S.E. by E. to S.E. ½ S., facing the Western Entrance to *Hoy Sound*. Toward Stromness, the High Tower shews a FIXED BRIGHT LIGHT, from S.S.E. ¼ E. to W.S.W.

The *Low Light*, as already stated, is known to Mariners as a FIXED BRIGHT LIGHT. It is elevated 55 Feet above the Sea, is seen at the distance of 7 *Nautic Miles*, and at lesser distances, according to the state of the weather. The Arc illuminated by this Light extends from E. ½ S. to W. ½ N., and faces Northward.

Notice is also hereby given, that towards the Islands of *Cava* and *Risa*, a FIXED BRIGHT LIGHT, illuminating a small Arc between N. ½ W. and N.N.W. ½ W. will be shewn from the High Tower, on the night of Friday, 1st August 1851, and every night thereafter, from Sunset to Sunrise, in addition to those already lighted and described above. This Light is intended to serve as a guide to Vessels approaching *Stromness* from the Eastward.

The whole of the above Descriptions and Instructions will be more easily understood by an inspection of the accompanying small Chart.*

N. B.—The Variation of the Compass is 27° 47′, W.

[* It has been found impracticable to publish this Chart without having it lithographed.]

The Commissioners hereby further give Notice, that by virtue of a Warrant from the *Queen* in *Council*, dated 14th August 1850, the following Tolls are now levied in respect of these Lights, viz :—

" For every vessel belonging to the United Kingdom " of Great Britain and Ireland (the same not belonging " to Her Majesty, her heirs and successors, or being " navigated wholly in ballast), and for every Foreign " Vessel which, by any Act of Parliament, Order in " Council, Convention or Treaty, shall be privileged to " enter the Ports of the said United Kingdom, upon " paying the same duties of Tonnage as are paid by " Vessels belonging to the United Kingdom (the same " not being navigated wholly in ballast) which shall " arrive at, or depart from, the Port of Stromness or its " dependent creeks in Orkney, or which shall pass in " either direction through the Pentland Firth, between " the Island of Pomona or the Mainland of Orkney, and " Dunnethead in Caithness, the Toll of one *Farthing* " per Ton of the Burden of every such Vessel, for each " time of passing or deriving benefit from the said " Lights, if on a Coasting Voyage, and Double the said " Toll for passing or deriving benefit on an Oversea " Voyage; and for each Foreign Vessel navigated as " aforesaid not privileged in manner hereinbefore men- " tioned, Double the amount of the respective Tolls " hereinbefore specified."

No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. 11th. 12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder, for a lot after it has been offered for Sale in the mode here

described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1.—Certificate of the Opium now advertized for Sale.

No. 2.—Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1850-51, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue, and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium or adulteration of the Drug, which may be preferred in reference to Chests after the sale and delivery of the Opium for shipment.

If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 33,561 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. "With regard to the Trade in "Opium it is agreed between "the high contracting parties "that at each of the periodical "Sales of that article there "shall be reserved for the French Government, "and delivered upon requisition duly made by "the Agents of His Most Christian Majesty, or by "the persons duly appointed by them, the number "of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in "each year, and the price for the same shall be determined by the average rate at which Opium "shall have been sold at every such periodical "Sale: it being understood that, if the quantity of "Opium applied for at any one time shall not be "taken on account of the French Government by "the Agents of His Most Christian Majesty "within the usual period of delivery, the quantity "so applied for shall nevertheless be considered "as so much in reduction of the Three Hundred "Chests hereinbefore mentioned: the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall have "been published in the Government Gazette."

Article of the Convention above referred to.

ORIENTAL CLUB.

REPORT OF THE COMMITTEE OF MANAGEMENT.

6TH MAY, 1850.

THE Committee of Management of the Oriental Club have the honor, in accordance with the regulations, to submit to the Annual General Meeting an Abstract Statement of the Receipt and Expenditure, from Christmas 1848 to Christmas 1849. It will be perceived that the Subscriptions and Entrances amount to £5761, being £87 short of the Estimate, and which deficiency is accounted for by a small falling off in the numerical strength of the Club between the 1st April and 31st October 1849, as compared with same period of the preceding year. The statement in the margin* shows the casualties of the year, with the present number of Members. The total Receipts (exclusive of a balance of £613. 1*s.* 9*d.*) have fallen short of the preceding year by £815. 15*s.*; the respective amounts being £6384. 8*s.* 2*d.* in 1849 against £7200. 3*s.* 2*d.* in 1848.

The expenditure for the past year was estimated at £6155, but has only amounted to £6110. 15*s.* 2*d.* The Table Charge in the Coffee-room having been found inadequate to the expenses of that department, without reference to such items as coals, lights, servants, &c., comprised in the ordinary expenditure, and the Committee considering it but just that each department should support itself, resolved that the Table Charge in the Coffee-room should be raised from 6*d.* to 9*d.*; the same taking effect from 1st February last.

The surplus receipt of 1849, after the discharge of all current liabilities, amounted to £886. 14*s.* 9*d.* Although the Committee consider the Club House and Property full and ample security for the Debenture debt of the Club, (£15,000 at 4 per cent. interest) they nevertheless recommend that a part of the surplus funds of the Club be annually laid out by the Committee in the purchase of Club Debentures, until said debt has been reduced to £10,000,†

The estimates of the present year have been carefully framed. The accounts for the past year have been duly audited. The prescribed engagements have been taken from the tradesmen of the Club, and all liabilities (except the Debenture debt) have been discharged up to 1st of April.

In conclusion, the Committee trust that the result of the past year's receipt and expenditure is clearly and satisfactorily shown, and thereby that the general comforts and convenience of their fellow Members have been, on all occasions, as far as in them lay, duly consulted.

Act No. XIV. of 1851.

An Act for consolidating the laws for collecting a Revenue of Excise on Spirituous Liquors and Intoxicating Drugs in the Settlement of Prince of Wales' Island, Singapore and Malacca.

I. Regulations II., IV., and V. of 1830, passed by the Governor of Prince of Wales' Island, Singapore and Malacca in Council; Regulation IV. of 1831 and Act No. V. of 1839, passed by the President of the Council of India in Council, and Regulation X. of 1833, passed by the Governor General of India in Council, are repealed.

III. Any person in whom the exclusive right of making Chandoo or other preparation of Opium for smoking, and of retailing Opium in smaller quantities than one chest shall be vested, shall be called the "*Opium Farmer* of Prince of Wales' Island, or of Singapore, or of Malacca, as the case may be;" and the person in whom the exclusive right of retailing Spirituous Liquors and Arrack in less quantities than One Hundred and Sixty Gallons, and of making and distilling Arrack and Spirituous Liquors shall be vested, shall be called the "*Spirit Farmer* of Prince of Wales' Island, or of Singapore, or of Malacca, as the case may be;" and the person in whom the exclusive right of selling Toddy and Bang shall be vested, shall be called the "*Toddy Farmer* of Prince of Wales' Island, or of Singapore, or of Malacca, as the case may be."

IV. The number of Houses or Shops to be severally registered under this Act for the retailing, or smoking of Chandoo or prepared Opium, and for retailing Spirituous Liquors and Arrack, and for the retail of Toddy or Bang, within the said Settlement and places, shall be determined, from time to time, by the Governor or other Chief Civil Authority of the said Settlement, or by such public Officer or Officers as he may authorize for

that purpose; and the said Houses or Shops shall, as regards their situation and hours for opening and closing, be subject to such Rules and penalties as the said Governor or other Chief Civil Authority shall, from time to time, make in that behalf.

V. ACT No. —— OF 1851.

An Act to repeal Regulation I. of 1832, *of the Bengal Code.*

Whereas a tract of land situated near the town of Bithoor in the district of Cawnpore was granted by the British Government as a jagheer during pleasure to the Maharajah Bajee Row Behadoor; and whereas by Regulation I. of 1832 of the Bengal Code, it was (among other things) enacted, that from and after the passing of that Regulation, the jurisdiction of the Courts of Civil and Criminal judicature, and the operation of the General Regulations, should not extend to the tract of land aforesaid, and that the said Maharajah should exercise the Civil and Criminal administration of the jagheer, subject to such control as therein mentioned; and whereas the said Maharajah Bajee Row died on the 28th day of December 1850, and it is now expedient to repeal the said Regulation I. of 1832; It is declared and enacted as follows:

I. Regulation I. of 1832, of the Bengal Code, is hereby repealed.

II. The said tract of land being part of the district of Cawnpore, all Laws and Regulations now in force within such district, shall be in force in the said tract of land.

III. All cases, Civil or Criminal, in which the cause of action arose, or the offence was committed within the said tract of land before the passing of this Act, may be tried and determined by the Courts of the said district of Cawnpore, and the General Laws and Regulations now in force in such district may be applied and administered by the said Courts in the trial and determination of such cases; but if in any case it shall appear that the application of the said Laws and Regulations would operate unjustly if applied to the trial and determination of such case, it shall be lawful for such Courts to try and determine the same according to equity and good conscience.

IV. Provided always, that no Court shall try or determine any case, Civil or Criminal, with respect to which a final decision may have been pronounced, previous to the said 28th day of December 1850, by any Court or person within the said tract of land, having at the time of such decision, lawful power and authority to pronounce it.

Ordered, that the Draft now read be published for general information.

Ordered, that the said draft be re-considered at the first meeting of the Legislative Council of India, after the 21st day of January 1852.

NOTICE TO MARINERS.

HOY SOUND LIGHTHOUSES.

THE Commissioners of the *Northern Lighthouses* hereby give Notice, that two *Lighthouses* have been built upon the *Island* of *Gremsay*, lying in *Hoy Sound*, opposite *Stromness*, in *Orkney*, the Lights of which were exhibited on the Night of *Thursday*, the 15th of May 1851.

The following is a Specification of the position of the Lighthouses and of the Appearance of the Lights, by MR. ALAN STEVENSON, *Engineer to the Commissioners :—*

The *High Lighthouse* is N. Lat. 58° 56′ 09″, and W. Long. 3° 16′ 33″. By *Compass*, the *Lighthouses* bear from each other S.E. ¼ E. and N.W. ¼ W. The *High Light*, towards the Western Entrance of Hoy Sound, is a FIXED RED LIGHT, and the *Low Light* is a FIXED BRIGHT LIGHT. When seen in one line, they lead through the Western Entrance to *Hoy Sound*, in the fairway, between the *Bow Rock*, off the Hoy Shore—and *Kirk Rock*, off the Stromness Shore. After running in on this line to the point A in the annexed Chart,* half-a-mile off the Low Light, where the depth is about 8 fathoms, the *High Red Light* is suddenly eclipsed by the land; and it is then time to haul towards the *Stromness* Shore, when the *Red Light* will immediately re-appear.

The *High Light* is elevated 115 Feet above the Sea; but, being a FIXED RED LIGHT, it is not

seen at a greater distance than about 10 *Nautic Miles.* It illuminates a small Arc toward the S.E. from S.E. by E. to S.E. ½ S., facing the Western Entrance to *Hoy Sound.* Toward Stromness, the High Tower shews a FIXED BRIGHT LIGHT, from S.S.E. ¼ E. to W.S.W.

The *Low Light,* as already stated, is known to Mariners as a FIXED BRIGHT LIGHT. It is elevated 55 Feet above the Sea, is seen at the distance of 7 *Nautic Miles,* and at lesser distances, according to the state of the weather. The Arc illuminated by this Light extends from E. ½ S. to W. ½ N., and faces Northward.

Notice is also hereby given, that towards the Islands of *Cava* and *Risa,* a FIXED BRIGHT LIGHT, illuminating a small Arc between N. ½ W. and N.N.W. ½ W. will be shewn from the High Tower, on the night of Friday, 1st August 1851, and every night thereafter, from Sunset to Sunrise, in addition to those already lighted and described above. This Light is intended to serve as a guide to Vessels approaching *Stromness* from the Eastward.

The whole of the above Descriptions and Instructions will be more easily understood by an inspection of the accompanying small Chart.*

N. B.—The Variation of the Compass is 27° 47′, W.

[* It has been found impracticable to publish this Chart without having it lithographed.]

The Commissioners hereby further give Notice, that by virtue of a Warrant from the *Queen in Council,* dated 14th August 1850, the following Tolls are now levied in respect of these Lights, viz :—
